Association of Medical Physicists of India

10th-12th
DECEMBER
2026

**Ravindra
Bhavan,
Goa**

Sponsorship Brochure

Invitation Letter

Dear Colleagues,

It is my great pleasure and honor to invite you to AMPICON 2026, the 47th Annual Conference of the Association of Medical Physicists of India (AMPI), to be held from 10th to 12th December 2026 at Ravindra Bhavan, Goa, India.

AMPICON has consistently served as a premier platform for medical physicists, clinicians, researchers, academicians, and industry professionals to exchange knowledge, present innovative research, and discuss advancements that shape the future of healthcare. Continuing this tradition, AMPICON 2026 promises to deliver a rich scientific program featuring keynote lectures, technical sessions, panel discussions, and hands-on learning opportunities.

The theme of this year's conference, "Waves of Innovation in Medical Physics: From Precision to Patient-Centric Practice," reflects our collective commitment to advancing technology-driven precision while ensuring compassionate, patient-focused care. The scientific program is thoughtfully designed to address emerging trends in radiotherapy, diagnostic imaging, nuclear medicine, artificial intelligence, quality assurance, and radiation safety.

Goa, with its serene beaches, vibrant culture, and world-class hospitality, provides an ideal setting for both academic enrichment and meaningful professional networking. The unique blend of scientific excellence and a relaxing environment will make AMPICON 2026 a truly memorable experience.

We warmly invite you to participate in this prestigious conference, contribute your research, and engage with peers from across the country and beyond. Your presence will greatly enrich the discussions and success of this event.

We look forward to welcoming you to Goa for an inspiring and impactful AMPICON 2026.

With warm regards,

***Organising Committee
AMPICON 2026, Goa***
